(U) Reurlet and LHM dated 12/3/69.

A review of the information in referenced LHM indicates the need to disseminate it to Secret Service and the military intelligence agencies regardless of the fact that it may have been composed by one person who does not have the support of a group. Further, we would be remiss in withholding dissemination based on the opinion of the informant that [redacted] expounds on ideas to harass the establishment but has never taken any action to carry through his ideas other than to just talk. Bear this in mind in your investigation of this matter and be alert for more competent individuals in a position to comment on capabilities.

In view of the above, you should disseminate copies of referenced LHM to Secret Service, the military intelligence agencies and appropriate local authorities.

NOTE:

A source of the Sacramento Office furnished information regarding LARGO [redacted] described by the source as an apparent self-styled revolutionary with no known connection with any militant group. The material furnished by the informant is a declaration of purpose of LARGO which calls for warfare against established authority aimed at the overthrow of the United States Government by force. This declaration calls for attacks on installations directly under the control of the Government or federally connected forces in Northern California.

Enclosed for the Bureau are six copies of an
(U) LHM containing background data and purposes of LARGO.

Enclosed for San Francisco is one copy of an
LHM and one photograph of [redacted]

It has been noted that the proposed LARGO plan
calls for a declaration of a state of revolution within
the United States; however, no copies are being furnished
to Secret Service or military intelligence at this time
because of the belief that the contents of the LARGO paper
have been composed by one person, and although extremely
radical, there does not appear to be any connection with
a supporting group.

In the event further inquiry reveals a San
Francisco Headquarters and an organizing group attempting
to promote the LARGO proposal, appropriate dissemination
will be made. Separate files will be opened on members
as they are identified.

The source of information in this matter is [redacted]
and long-
time resident of the [redacted] area.
[redacted] voluntarily furnished this information and has not
been contacted a sufficient number of times to establish

"We do hereby declare the existence and intent of a National Liberation Front fighting force within the continental confines of the United States of America to be actively engaged in a people's War of Revolution against the said named nation and to support all legal and recognized revolutionary forces currently in operation throughout the world.

"We do hereby declare the State of Revolution to be existing within the United States of America, and call upon the United Nations to recognize uniformed armed combatants of LARGO (Land Army Revolutionary Group Organizations) as a legally constituted revolutionary adhering to and subject to the rules of warfare established by the Geneva Convention.

(U) ~~C~~

"Unlike our opposition, engaged in cruel and inhuman acts of tyranny abroad, we hereby file public notice of our intent to conduct a controlled punitive action against United States federal forces and municipal forces on a limited scale from the City of San Francisco on the south to the Oregon border on the north, other confines being marked by State of California boundaries.

"All citizens are hereby notified that a State of Revolution shall begin as of January 1, 1970.

"An explanation to the citizenry of Northern California as to purpose and method of the revolution to be waged in Northern California:

~~CONFIDENTIAL~~

(U) [RE: LARGO] ~~C~~

~~CONFIDENTIAL~~

"LARGO is the designation of Liberation Army of Revolutionary Group Organizations, a fighting force of men and women dedicated to the overthrow of the United States Government by the use of force. After January first of 1970, a fully trained, equipped and manned army of revolution will be operating in Northern California. Plans and training procedures for this organization have been conducted within the confines of California, and we believe ourselves to be of sufficient numbers at this crucial time to motivate a nationwide uprising. During the months that follow we will offer the public more material as to our benevolent purpose toward the peoples of the world. You will notice our material is badly printed. Of necessity, since printing devices, even those operating within private businesses are traceable by the federal police state, it is necessary for us to disguise any mass-produced literature to avoid detection.

(U) ~~C~~

"We do not know what path the federal forces will follow. To keep civilian casualties to a minimum, we are setting up a set of qualifications we will unswervingly follow to regulate the war against an oppressive federal government.

"In the beginning we will limit our attacks to installations directly under control of federal forces or federally-connected forces. The acts of aggression will be against property only, and in all cases combat will be introduced by federal forces in control of the various attack points.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

(U) ~~[RE: LARGO]~~

"In revolution, all those who bear arms in service of the established government-to-be-deposed are considered members of federal forces, because of their ability and orders to kill, detain or apprehend soldiers of the National Liberation Front. This includes members of local police forces, the California Highway Patrol, the California Border Patrol, members of deputy sheriff departments, uniformed armed members of the National Guard, and all federal troops on duty, in uniform, and armed for combat. Un-uniformed groups or individuals are traditionally treated as counterinsurgents.

"A soldier of the revolution will be dressed in military manner, uniformly with other members of the striking force he belongs to. In case of extreme emergency, when a soldier of the revolution must bear arms without notice, he will identify himself throughout the action with a red armband around the left arm. (U) ~~X~~

"Civilians coming into contact with individual soldiers of the revolution, or with revolutionary army groups, should immediately identify themselves, their location, and their noncombatant status. Do Not identify yourself as a sympathizer unless this is a true statement of intent. Your rights will be honored wherever your sympathy lies, and your safety taken into primary consideration by those you meet.

"Our war against the federal forces will be conducted on a program of gradual acceleration,

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

as their efforts to eliminate LARGO gradually increases. At each step of the acceleration, we will publish a statement of procedure to attempt to insure the safety of residents of each war zone.

STUDENTS FOR A DEMOCRATIC SOCIETY

A source has advised that the Students for a Democratic Society (SDS), as it is known today, came into being at a founding convention held at Port Huron, Michigan, in June, 1962. From an initial ideological posture of "participatory democracy", the current line of the national leadership reveals an adherence to Marxism-Leninism. [REDACTED]

[REDACTED] in March, 1969, called for the building of a revolutionary Marxist-Leninist movement. The program of SDS has moved from involvement in civil rights struggles to an anti-Vietnam war position and finally to its present advocacy of an anti-imperialist line, linking up the oppressed peoples of Asia, Africa and Latin America with the black liberation movement in the United States. China, Vietnam and Cuba are regarded as countries which are leading the world-wide struggles against United States imperialism. On the other hand, SDS regards the Soviet Union as an imperialist power and does not support the policies of that country.

SDS maintains a National Office in Room 206, 1608 West Madison Street, Chicago, Illinois. Its official paper, "New Left Notes", reflects the line of the national leadership and program adopted at meetings of the National Council and National Interim Committee (NIC). Three national officers and a NIC of eleven members are elected each year during a June National Convention.

SDS Regional Offices and university and college chapters elect delegates to National Council meetings wherein program and ideology are debated, but each Region and chapter is autonomous in nature and is free to carry out independent policy and programs reflective of local conditions.

BLACK PANTHER PARTY

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by [redacted] Huey P. Newton, BPP Minister of Defense. Newton is presently serving a sentence of two to fifteen years on a conviction of manslaughter in connection with the killing of an Oakland police officer.

The official newspaper, "The Black Panther," which further describes itself as the "Black Community News Service," states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

b6
b7C

"The Black Panther" issue of September 7, 1968, contains an editorial [redacted] which ends with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is a revolutionary culture. Change. Freedom everywhere. Dynamite! Black Power. Use the gun. Kill the pigs everywhere!"

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement, "... we will not dissent from American Government. We will overthrow it."

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman MAO Tse-tung of the People's Republic of China and feature MAO's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.

An Explanation to the citizenry of Northern California concerning the Purpose and Method of the Revolution to be waged in Northern California.

"LARGO" is the designation of the Liberation Army Of Revolutionary Group Organizations, a fighting force of men and women dedicated to the overthrow of the United States government by the use of force. After March 15, 1970 a fully trained, equipped and manned army of revolution will be operating in Northern California. Plans and training procedures for this organization have been conducted within the confines of California, and we believe ourselves to be of sufficient numbers at this crucial time to motivate a nationwide uprising. During the month that follow we will offer the public more material as to our benevolent purpose toward the people of the world. You will notice that our material is badly printed. This is due to the fact that printing devices, even those operating within private premises, are traceable by the federal police state, necessitating the disguising of any mass produced material.

We do not know what path the federal forces will follow. To keep civilian casualties to a minimum, we are establishing a set of qualifications which we will unswervingly follow to regulate the war against the oppressive federal government.

Initially we will limit our attacks to installations directly under control of federal forces or their allies. The acts of aggression will be against property only, and in all cases combat will be limited only by federal forces in control of the various attack points. (U)

In the revolution, all those who bear arms in service of the established government-to-be-deposed are considered members of the federal forces, because of their ability and orders to destroy, apprehend, kill and detain soldiers of the National Liberation Front. This includes members of local police forces, the California Highway Patrol, California Border Patrol, members of county sheriff departments, uniformed armed members of the National Guard, and all federal troops on duty, in uniform, and armed. Un-uniformed groups of individuals are traditionally treated as counter-insurgents.

A soldier of the Revolution will be dressed in a military manner, uniformly with other members of the striking force to which he belongs. In case of extreme emergency, when a soldier of LARGO must bear arms without notice, he will identify himself throughout the action with a red armband on the left arm.

Civilians coming into contact with soldiers of the revolution should immediately identify themselves, their location and non-combatant status. Do not identify yourself as a sympathizer unless this is a true statement. Your rights will be honored and your safety taken into primary consideration regardless of beliefs.

Our war against the Federal Forces will be conducted on a program of gradual acceleration, as efforts to eliminate LARGO increase. At each step of the escalation a statement of procedure will be published in order to insure the safety of warzone residents. POWER TO THE PEOPLE, WE SHALL NOT FAIL.

Dear Mr. Hoover:

I am herewith enclosing a mailing that came to me today, apparently on Governor Ronald Reagan's letterhead, but which, except for the brief comments in the middle of the page is actually a message of declaration by the National Liberation Front constituting a threat to America's future and declaring that "a state of revolution shall begin as of March 15, 1970".

Could you tell me, please, whether or not this is an authentic communication? If it is authentic, I think we may find means of giving it some publicity.

As I see it, our American people need to wake-up to the real threat of Communism in America.

Very sincerely yours,

Terrorist Group A 'Paper Tiger'

By Ed Montgomery

LARGO, a newly founded revolutionary group which last week threatened widespread death and destruction, is just a paper tiger in the opinion of intelligence agents.

For one thing, they point out, dedicated revolutionaries don't advertise.

On March 11, the "underground" National Liberation Front Continental Armed Services Division of the Liberation Army Revolutionary Group Organization (LARGO) sent letters to officials in various Northern California counties threatening all manner of dire things.

An unsigned "Declaration of Entity and of Purpose," denounced the federal government and warned:

"All citizens are hereby notified that a state of revolution shall begin March 15. All power to the people."

The letters threatened destruction of "installations directly under the control of federal forces or their allies."

Included in the allies category and "subject to attack" were listed all uniformed members of the military, highway patrolmen, police officers, deputy sheriffs, National Guardsmen and "border patrolmen" between San Francisco and the Oregon border.

The letters were mailed from Berkeley. It took county, state and federal agents working in concert all

of 15 hours to trace the missives.

They emanated from a back room in the Little Red Bookstore, an outlet for Maoist, pro-Viet Cong propaganda at 3191 Mission St. here, according to investigators.

Wanted

B. APPROX. 1938

Intelligence agents have termed the letters the work of Jerri Williams Doeden, 32, operating from the Little Red Bookstore as Gina Savo. He formerly lived in Chico, where authorities hold a warrant for his arrest on non-support charges.

"As anarchists and revolutionaries go, he is strictly small potatoes," an agent for the State Department of Justice said.

"While he boasts of having hundreds of automatic weapons and talks of his legions now undergoing guerrilla training in the hills, the fact is he has scarcely half a dozen dedicated followers, and most of them can be classified as kooks.

"We do have true anarchists and revolutionaries in our midst, but he isn't one of them."

Alto area and was rebuffed.

One potential disciple recently attracted to Doeden's operation is a former downtown art store stock clerk who considers himself as an expert on bombs and their source of manufacture.

Well known to intelligence agencies who discount his expertise, this prospective recruit under the pseudonym of "Claude," recently emerged in a local newspaper as an authority on bombs.

Exhibited were a number of crude bombs which he assertedly purchased on the open market. Agents say he made them.

Doeden was not to be found

at the Little Red Bookstore yesterday. Nor was "Claude."

A young clerk named Sylvia behind the counter said "Gino Savo" had been called out on urgent business and that "Claude" had not been around for two or three days.

Posters

Revolutionary posters depicting the Venceremos cane cutting brigade in Cuba, revolutionist Emiliano Zapata and the facsimile of a Bank of America check showing the Isla Vista branch burning in the background, adorn the Little Red Bookstore walls.

Publications available include the Peking Review, Black Panther and National Guardian, along with books by H. Rap Brown and Jerry Rubin. Prominently displayed is a printed slogan: "Marxsmanship - Marksmanship, dare to Fight, Dare to Win."

Copies of this memorandum are being disseminated to the local intelligence agencies of the United States Army, Navy, and Air Force, and to the United States Secret Service, San Francisco and Sacramento, California.

Reference is made to Sacramento, California memorandum, dated February 27, 1970, which included copies of three LARGO documents entitled "Declaration of Entity and of Purpose of the Newly-Formed National Liberation Front Continental Armed Services Division Liberation Army, Revolutionary Group Organizations"; "An Explanation to the Citizenry of Northern California. . ."; and "Notice to the Recipient:". This memorandum informed that LARGO

The letter, mailed from Berkeley, California, was mainly to show that LARGO was dissatisfied with the United States Government and to notify the public that a state of revolution in Northern California was to begin as of March 15, 1970. It is noted that other counties in Northern California were also in receipt of this letter.

NO EXPLANATION TO THE CITIZENRY OF NORTHERN CALIFORNIA CONCERNING
THE PURPOSES AND METHOD OF THE REVOLUTION TO BE WAGED IN NORTHERN CALIFORNIA---

LARGO[®] IS THE DESIGNATION OF THE LIBERATION ARMY OF REVOLUTIONARY GROUP
ORGANIZATIONS, A FIGHTING FORCE OF MEN AND WOMEN DEDICATED TO THE OVER-
THROWAL OF THE UNITED STATES GOVERNMENT BY THE USE OF FORCE. AFTER MARCH
15, 1970 A FULLY TRAINED, EQUIPPED AND MANNED ARMY OF REVOLUTION WILL BE
OPERATING IN NORTHERN CALIFORNIA. PLANS AND TRAINING PROCEDURES FOR THIS
ORGANIZATION HAVE BEEN CONDUCTED WITHIN THE CONFINES OF CALIFORNIA, AND WE
MOTIVATE A NATIONWIDE UPRISING. DURING THE MONTHS THAT FOLLOM WE WILL
OFFER THE PUBLIC MORE MATERIAL AS TO OUR BENEVOLENT PURPOSE TOWARD THE PEOPLE
OF THE WORLD. YOU WILL NOTICE THAT OUR MATERIAL IS BADLY PRINTED.
THIS IS DUE TO THE FACT THAT PRINTING DEVICES, EVEN THOSE OPERATING WITHIN
PRIVATE PREMISES, ARE TRACEABLE BY THE FEDERAL POLICE STATE, NECESSITATING
THE DISGUIISING OF ANY MASS PRODUCED MATERIAL.

WE DO NOT KNOW WHAT PATH THE FEDERAL FORCES WILL FOLLOW. TO KEEP CIVILIAN
CASUALTIES TO A MINIMUM, WE ARE ESTABLISHING A SET OF QUALIFICATIONS WHICH
WE WILL UNSWERVINGLY FOLLOW TO REGULATE THE WAR AGAINST THE OPPRESSIVE
FEDERAL GOVERNMENT.

INITIALLY WE WILL LIMIT OUR ATTACKS TO INSTALLATIONS DIRECTLY UNDER CONTROL
OF FEDERAL FORCES OR THEIR ALLIES. THE ACTS OF AGRESSION WILL BE AGAINST
PROPERTY ONLY, AND IN ALL CASES COMBAT WILL BE LIMITED ONLY BY FEDERAL
FORCES IN CONTROL OF THE VARIOUS ATTACK POINTS.

IN THE REVOLUTION, ALL THOSE WHO BEAR ARMS IN SERVICE OF THE ESTADLISHED
GOVERNMENT-TO-BE-DEPOSED ARE CONSIDERED MEMBERS OF THE FEDERAL FORCES
BECAUSE OF THEIR ABILITY AND ORDERS TO DESTROY, APPREHEND, KILL, AND DETAIN
SOLDIERS OF THE NATIONAL LIBERATION FRONT. THIS INCLUDES MEMBERS OF LOCAL
POLICE FORCES, THE CALIFORNIA HIGHWAY PATROL, CALIFORNIA BORDER PATROL,
MEMBERS OF COUNTY SHERIFF DEPARTMENTS, UNIFORMED ARMED MEMBERS OF THE
NATIONAL GUARD, AND ALL FEDERAL TROOPS ON DUTY, IN UNIFORM, AND ARMED.
UN-UNIFORMED GROUPS OF INDIVIDUALS ARE TRADITIONALLY TREATED AS COUNTER-
INSURGENTS.

SOLDIER OF THE REVOLUTION WILL BE DRESSED IN A MILITARY MANNER, UNIFORMLY
WITH OTHER MEMBERS OF THE STRIKING FORCE TO WHICH HE BELONGS. IN CASE OF
EXTREME EMERGENCY, WHEN A SOLDIER OF LARGO MUST BEAR ARMS WITHOUT NOTICE,
HE WILL IDENTIFY HIMSELF THROUGHOUT THE ACTION WITH A RED ARMBAND ON THE
LEFT ARM.

CIVILIANS COMING INTO CONTACT WITH SOLDIERS OF THE REVOLUTION SHOULD
IMMEDIATELY IDENTIFY THEMSELVES, THEIR LOCATION AND NON-COMBATANT STATUS.
DO NOT IDENTIFY YOURSELF AS A SYMPATHIZER UNLESS THIS IS A TRUE STATEMENT.
YOUR RIGHTS WILL BE HONORED AND YOUR SAFETY TAKEN INTO PRIMARY CONSIDERATION,
REGARDLESS OF BELIEFS.

OUR WAR AGAINST THE FEDERAL FORCES WILL BE CONDUCTED ON A PROGRAM OF GRADUAL
ACCELERATION, AS EFFORTS TO ELIMINATE LARGO INCREASE. AT EACH STEP OF THE
ESCALATION A STATEMENT OF PROCEDURE WILL BE PUBLISHED IN ORDER TO INSURE
THE SAFETY OF WARZONE RESIDENTS. POWER TO THE PEOPLE, WE SHALL NOT FAIL!!!
